

# Covers and Storage Bags

Barlow Tyrie covers and storage bags are designed to provide maximum weather protection with optimal “breathability.” Failure to follow this guide may result in the voiding of your warranty.

Please note: Covers for standard dining groups are designed to cover the furniture with the chairs not under the table.

## Proper Care For Your Cover

The life of the covers and storage bags depend a great deal on the way they are used. Even the most durable materials require a certain amount of care, and these are no exception. Following these suggestions and tips can preserve the life of a cover or storage bag.

Be careful not to drag your cover or storage bag across any abrasive surfaces, such as cement, or over sharp corners when installing or removing. If the cover is not appropriately fitted, standing water may accumulate on the cover which will weaken the fabric. Support the storage bag underneath when lifting with cushions.

If the furniture pieces has any sharp corners or edges, place foam rubber on the sharp edge to reduce risk of puncture or abrasion of the covers.

For table and chair combinations, placing an object, such as a beach ball, under the centre of the cover can help with water drainage.

## Cleaning And Storing Your Covers and Storage Bags

The fabric can be hand washed or laundered with a front loading washing machine. Wash in cold water and line dry. **DO NOT PLACE IN DRYER.** High heat can destroy the fabric (Do Not Dry Clean). You can also spot wash with a soft cloth and mild bleach. Do not use an abrasive cleaner or cloth.

It is important to keep your cover and storage bags clean. This is the best protection against mildew. Your cover is made from material that will not promote the formation of mildew. However, mildew can grow on accumulated dirt and foreign material that collects on the cover. Keep your cover away from trees, shrubbery, vines, etc, as they contain acids that may deteriorate or stain your cover.

Always store your covers and storage bags dry. Folding the cover wet can promote mildew growth that can degrade the fabric. Air dry before folding.

## Limited Warranty

Barlow Tyrie covers and storage bags are warranted to be free of defects from workmanship and materials for a period of two years from the date of purchase. The warranty protects your covers and storage bags against damage when used under normal residential conditions and does not cover damage from commercial use, acts of God, vandalism, neglect, misuse, Racoons or improper use such as wind whippage. This warranty is in lieu of all warranties expressed or implied, and under no circumstances shall we be liable for any damages in excess of the cover’s or bag’s original purchase price. Should any trouble occur during the warranty period, please contact Customer Service.
