**Please refer to local authorities for any additional mounting guidelines*

Is the heater adequately covered? Y☐ N☐
(i.e. shielded from rain)

Have site plans & digital photos been provided? Y ☐ N ☐
(NOTE: in order to more accurately review your heating requirements and provide a valid recommendation, a dimensioned plan and elevation views are required. Please also provide digital photos of the area.)
If site plans not available, draw a sketch of the area showing all elevation views and open areas. Please include an appropriate scale.

Do you require a:

☐ Ceiling Mount or ☐ Wall Mount

- ☐ Short Bracket (10")
- ☐ Long Bracket (13")
- ☐ Tube Suspension
- ☐ Ceiling Recess

- ☐ Short Bracket (10")
- ☐ Long Bracket (13")

(NOTE: 4000W & 6000W models are supplied with long mounting brackets to be used for both ceiling & wall mounting. Alternatively, short mounting brackets can be used for wall mounting of the 4000W & 6000W models to position the heater closer to the wall. Short mounting brackets must be purchased separately.)

IF CEILING MOUNT:

Ceiling material type:

Are there other ceiling fixtures? Y ☐N ☐

(eg. lights, smoke detectors, speakers, other etc.)
Please detail:

IF WALL MOUNT:

Wall construction (wall material type)
