

COVERALLS SLIPCOVER CARE GUIDE

TO KEEP YOUR SLIPCOVER IN THE BEST CONDITION, WE RECOMMEND THE FOLLOWING:

CHECK WITH YOUR LEE DEALER TO SEE IF YOUR SLIPCOVER IS MACHINE WASHABLE OR SHOULD BE DRY CLEANED. IF DRY CLEANING IS REQUIRED, PLEASE CONTACT A PROFESSIONAL DRY CLEANER IN YOUR AREA.

IF MACHINE WASHING IS RECOMMENDED, PLEASE USE THE FOLLOWING GUIDELINES:

- BEFORE REMOVING THE SLIPCOVER FOR CLEANING, LOOK CAREFULLY AT HOW THE COVER IS APPLIED SO THAT YOU CAN RECOVER THE PIECE CORRECTLY
- BE CAREFUL NOT TO OVERLOAD THE WASHING MACHINE
- DO NOT WASH SOME PARTS OF THE SLIPCOVER AND NOT OTHERS - THIS COULD CAUSE COLOR VARIATIONS
- IF YOUR SLIPCOVER CONSISTS OF MULTIPLE FABRICS, MACHINE WASHING IS NOT RECOMMENDED
- BE SURE THE COVERS ARE ZIPPED CLOSED BEFORE WASHING TO PRESERVE THE SEAM LIFE
- USE A MILD DETERGENT AND COLD WATER
- SLIPCOVERS SHOULD BE DRIED ON LOW HEAT AND RETURNED TO THE PIECE SLIGHTLY DAMP

ALSO, HERE ARE A FEW GENERAL CARE TIPS TO EXTEND THE LIFE OF YOUR UPHOLSTERED FURNITURE AND MAINTAIN THE LOOK THAT YOU WILL BE PROUD TO HAVE IN YOUR HOME:

- SEATS AND BACK PILLOWS SHOULD BE REVERSED REGULARLY AND ROTATED FROM SIDE TO SIDE WHEN POSSIBLE
- BACK AND THROW PILLOWS SHOULD BE FLUFFED REGULARLY TO MAINTAIN A DESIRED APPEARANCE AND COMFORT LEVEL.
- THE PIECE SHOULD BE VACUUMED REGULARLY WITH A SOFT BRUSH ATTACHMENT
